

Disabled Dentists Information

Notwithstanding the requirement to renew a dental license, any licensee who demonstrates to the satisfaction of the board that he or she is unable to practice dentistry due to a disability may request a waiver of 50% of the renewal fee. The granting of a waiver shall be at the discretion of the board, and the board may terminate the waiver at any time. A licensee to whom the board has granted a waiver shall not engage in the practice of dentistry unless and until the licensee pays the current renewal fee in full and establishes to the satisfaction of the board on the required form signed under penalty of perjury that the licensee's disability either no longer exists or no longer affects his or her ability to safely practice dentistry.
